7th Annual Golf Tournament

PCS Athletic Boosters, Please join us for the 7th Annual Palmetto Charter School Scramble of Champions scheduled for Saturday, May 1, 2021 at the beautiful Waterlefe Golf Club. Your support and generosity continue to support our Athletic Program in numerous ways. During the 2019-2020 school year, our Flag Football, Volleyball, Boys' Basketball, Girls' Basketball, Girls Soccer, Boys Soccer, and Golf team all competed for the 1A Florida Suncoast League (FSCL) Championship with the Girls Basketball, Girls volleyball, and Girls Soccer winning championships. The FSCL is comprised of twenty charter and private schools in both Sarasota and Manatee County. Your support ensures that our student athletes display their Eagle pride while competing for Palmetto Charter School. The money raised this year will go towards new uniforms, help offset the cost of officials, field rentals, and provide new equipment for our NEW gymnasium. We really appreciate your support as we work towards making our athletic programs one of the best in the region! Thanks again, and GO EAGLES!
